

IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **Centurion Capital Corporation v David Noonan**

Docket No. **283347**

L.C. No. **07-008655-AV**

Christopher M. Murray, Chief Judge Pro Tem, acting under MCR 7.203(F)(1) and 7.216(A)(10), orders:

The motion to waive fees is GRANTED for this case only.

The delayed application for leave to appeal filed January 25, 2008, is DISMISSED for lack of jurisdiction because appellant is not appealing a circuit court order. The circuit court order dismissed the appellant's appeal for failure to pay the \$400.00. However, the appellant's application does not even address that decision. The requirement that an appeal must be first filed in the circuit court is not some meaningless technical requirement that can be ignored when filing an application for leave to appeal in this Court.
